

2012 Skills Camp

The Regina Royals in conjunction with the University of Regina Cougars Women's Softball Club are once again pleased to offer skills development camps to our Royals Squirt, Pee Wee and Bantam aged players.

Beginning in January, we will be offering a Hitting camp and a Throwing Mechanics/Defense camp for our Squirt and first year Pee Wee aged players. Our Second year Pee Wee players and Bantam aged players will be offered a "Spring tune up" camp that will include defense and hitting. These camps will all take place at the University of Regina Gyms. All camps will be run by certified Cougar coaches with the assistance of the women's Cougars softball players and special guest coaches. Camps to include drills and instruction put together to ensure a fun learning environment to enhance the skills development of our young athletes.

Each player participating in these clinics will also receive a 2012 Cougars/Royals camp t-shirt. Only one camp T-shirt per player will be handed out. These camp spots will sell out very quickly so we encourage you to respond as soon as possible. Make sure to select the camp that aligns with your daughter's age division placement for the 2012 season. Please mail in or drop off your form to Paula Mohr as soon as possible. Spots will be awarded on a first come basis.

Gyms are located in the Kinesiology Building and U of R gyms at the University of Regina 3737 Wascana Parkway.
